

## Building-up a participatory governance framework for the sustainable development of forests and rural territories in Lebanon

<http://reforleb.ctfc.cat>

Action implemented by the Forest Sciences Centre of Catalonia in the framework of the 40 Million Trees Program, in partnership with the Municipalities of Deir el Ahmar, Ainata and Barka, and in cooperation with Seeds-int.

**Brightening the future: Planting trees and creating socioeconomic opportunities for and with local communities.**

Action co-funded by the European Union  
Agriculture and Rural Development Programme from the Ministry of Agriculture of Lebanon
